PLANTS

AGRICULTURAL TRACTOR

ENGINE

- ▶ POWERPLUS ENGINE

Distribution Network

► SAUDI ARABIA, ARAB GULF, EGYPT & WEST AFRICA

GENERAL CONTRACTING AND CONSTRUCTION

- ▶ Saudi Arabia
- ▶ The Gambia
- ▶ INDIA

INVESTMENT

Project Finance

One exception that clearly sets us apart from the competition is the ability to monetize Guarantees and other Financial Instruments through our banking relationships and partners worldwide. We have found that large infrastructure projects can more readily be funded through Country-Backed Guarantees that can be held for 10+ years. These tools are very attractive as they enable our clients to implement projects now, while deferring payment for some years.

- **B.O.T. – Build, Operate, Transfer**
- **B.O.O – Build, Own, Operate**
- **P.P.P – Public Private Partnership**
